

What is Zinio?

Zinio is a program that provides full digital copies of a variety of magazines, which can be viewed on your computer or mobile device.

Hints and Tips for Use

- Set up your account, check out a magazine, and log into your account on a computer before downloading the app for your mobile device.
- You can check out as many magazines as you'd like. Zinio will send you an email when a new issue of one of your magazines is available.
- Magazines may be viewed online, or downloaded for offline viewing.
- When reading magazines on your mobile device, be sure to connect to Wi-Fi, or the large images will count against your monthly data plan.
- Mobile device apps also have a "text only" option.
