

Northern Tier Regional Library Statement of Concern Regarding Library Materials

The Northern Tier Regional Library adheres to the principles of the [Library Bill of Rights](#), the [Freedom to Read](#) and the [Freedom to View](#) statements adopted by the American Library Association.

The library's process for selecting materials is detailed in our Collection Development Policy. If a patron objects to an item in our collection, our Statement of Concern form allows patrons to initiate a review of this item. Patrons must reside in our service area of Pine and Richland townships to submit this form.

The request will be reviewed by the selecting librarian and the Director, who will respond to the patron. If the patron is not satisfied, he or she may appeal to the Board of Trustees. The decision of the Board is final.
